## WORK EXPERIENCE

### Sourcebooks

*(May 2018 - Present)*

eCommerce design for the divisions Put Me in the Story, Sourcebooks Kids, and 123 Magic. I designed and coded emails, social media graphics, photography, animation, 3D product rendering, and assisted with marketing planning.

### ScoreMedia, LLC

*(January 2017 - February 2018)*

Created the overall brand of their first app, ManScore, along with the user interface layout for mobile and web applications.

### Maximum Printing

*(November 2015 - December 2016)*

In charge of the color print production and paper stock management, as well as designing items such as business cards and wedding materials.

### Salani & Associates, Inc.

*(November 2013 - May 2015)*

Created the graphics for retail packaging and in-store displays for clients such as Costco Wholesale and Walgreens.

Responsibilities also included dieline creation, print production, product photography, and creating product samples.

### Freelance Work

*(August 2010 - Present)*

#### - Quattro Citrus

Created the brand, marketing material, and website for this international citrus extract company.

#### - Pucks and Pixels

*(November 2011 - March 2013)*

Created hockey themed graphics for prints and apparel to be sold online.
